A Christmas Greeting

It always gives me pleasure to bring greetings at this special time of year to each of you and sincerely thank you for your support of our agency and the vital work our staff and volunteers do each day for our clients. This year we celebrate 45 years of providing Community Support Services to the Town of Arnprior and Township of McNab/Braeside.

I want to extend my appreciation to past staff and volunteers whose vision and efforts over these past years have brought us to where we are today. As we enter this Christmas Season, let us pause and remember our family members and friends who had journeyed with us, but who are no longer here to celebrate with us.

In closing, may you have the gift of faith, the blessing of hope, and the peace of His love at Christmas and always, I wish each of you a Very Merry Christmas with health and happiness in the new year.

Sincerely,

Dennis Harrington
Executive Director
